A screenshot of the Visual Studio Code (VS Code) interface. The top bar shows file tabs for 'Get Started', 'README.md', 'app.py', and 'requirement.txt'. The 'TERMINAL' tab is selected. The terminal window displays the output of a 'git status' command:

```
E:\ineurongit>git status
On branch main
Your branch is up to date with 'origin/main'.

Changes not staged for commit:
  (use "git add <file>..." to update what will be committed)
    (use "git restore <file>..." to discard changes in working directory)
      modified:   requirement.txt

Untracked files:
  (use "git add <file>..." to include in what will be committed)
    app.py

no changes added to commit (use "git add" and/or "git commit -a")

E:\ineurongit>
```

The status bar at the bottom shows the current branch is 'main*', with 0 changes staged and 0 untracked files. The bottom right corner shows system information: 22°C, 01-10-2022, 11:04, and battery level at 40%.

A screenshot of a Windows desktop showing a Visual Studio Code (VS Code) window. The window title is "requirement.txt - ineurongit - Visual Studio Code". The terminal tab is active, displaying the following output:

```
E:\ineurongit>git commit -m "This is my second commit"
On branch main
Your branch is up to date with 'origin/main'.

Changes not staged for commit:
  (use "git add <file>..." to update what will be committed)
    (use "git restore <file>..." to discard changes in working directory)
      modified:   requirement.txt

Untracked files:
  (use "git add <file>..." to include in what will be committed)
    app.py

no changes added to commit (use "git add" and/or "git commit -a")

E:\ineurongit>
```

The status bar at the bottom shows the current file is "main*", with 0 changes staged and 0 untracked files. The system tray indicates the date as 01-10-2022.

A screenshot of the Visual Studio Code interface. The top bar shows the menu: File, Edit, Selection, View, Go, Run, Terminal, Help. The title bar indicates the current file is "requirement.txt - ineurongit - Visual Studio Code". The terminal tab is active, showing the following command-line session:

```
E:\ineurongit>git add .
E:\ineurongit>git status
On branch main
Your branch is up to date with 'origin/main'.

Changes to be committed:
  (use "git restore --staged <file>..." to unstage)
    new file:   app.py
    modified:   requirement.txt

E:\ineurongit>
```

The right sidebar shows a video feed of a person wearing headphones, identified as Krish Nak. Below the video are icons for "powershell", "cmd", and "bash". The bottom status bar shows the file path "E:\ineurongit", the current branch "main+", and other system information like "Ln 3, Col 1", "Spaces: 4", "UTF-8", "CRLF", "Plain Text", and a timestamp "08-10-2022 11:08".

A screenshot of a Microsoft Windows desktop environment. In the foreground, the Visual Studio Code (VS Code) application is open, displaying a terminal window. The terminal shows a command-line session on drive E:

```
E:\ineurongit>git restore --staged .
E:\ineurongit>git status
On branch main
Your branch is up to date with 'origin/main'.

Changes not staged for commit:
  (use "git add <file>..." to update what will be committed)
    (use "git restore <file>..." to discard changes in working directory)
      modified:   requirement.txt

Untracked files:
  (use "git add <file>..." to include in what will be committed)
    app.py  I

no changes added to commit (use "git add" and/or "git commit -a")

E:\ineurongit>
```

The VS Code interface includes a sidebar with icons for file navigation, a search bar, and a pinned file list. The pinned file list shows 'requirement.txt' with one change ('nandas') and 'app.py' with one untracked file ('I'). The terminal tab is active, and the status bar at the bottom shows the current file path as 'E:\ineurongit', the branch as 'main*', and other system information like battery level and temperature.

22°C

A screenshot of the Visual Studio Code (VS Code) interface. The top bar shows file icons for 'Get Started', 'README.md', 'app.py', and 'requirement.txt'. Below the top bar, there are icons for 'PROBLEMS', 'OUTPUT', 'TERMINAL' (which is selected), 'DEBUG CONSOLE', and 'JUPYTER'. On the right side, there's a user profile for 'Krish Nak' and a terminal dropdown menu with options for 'powershell', 'cmd', and 'bash'. The main area is a terminal window displaying the following command-line session:

```
E:\ineurongit>git statis  
git: 'statis' is not a git command. See 'git --help'  
s.aniket@gmail.com  
The most similar command is  
      status  
E:\ineurongit>git commit -m "This is my second commit"  
[main aad9c08] This is my second commit  
  2 files changed, 2 insertions(+), 1 deletion(-)  
    |create mode 100644 app.py  
E:\ineurongit>
```

The bottom status bar shows the current file is 'main', with 01 11 changes, 0 0 additions, and 0 0 deletions. It also displays line and column numbers (Ln 3, Col 1), spaces (Spaces: 4), encoding (UTF-8), and line endings (CRLF). The system tray shows the date (01-10-2022), time (11:44), and weather (22°C).

The screenshot shows a terminal window in Visual Studio Code (VS Code) with a dark theme. The terminal tab is selected at the top. The command history shows:

```
E:\ineurongit>git status
git: 'statis' is not a git command. See 'git --help'.

The most similar command is
      status

E:\ineurongit>git commit -m "This is my second commit"
[main aad9c08] This is my second commit
 2 files changed, 2 insertions(+), 1 deletion(-)
    create mode 100644 app.py
E:\ineurongit>git push origin main
```

The status bar at the bottom indicates the current file is requirement.txt, with 3 lines and 4 columns. The encoding is UTF-8, and the file type is Plain Text. A watermark for "Krish Nak" is visible in the top right corner.

The screenshot shows a Microsoft Visual Studio Code (VS Code) interface. The top bar displays file icons for 'Get Started', 'README.md', 'app.py', and 'requirement.txt'. Below the top bar, there are several icons: a folder with '1' (indicating one file is open), a magnifying glass, a gear, a monitor, three dots, a person icon, and a gear icon.

The main area shows a terminal window with the following command history:

```
E:\ineurongit>git commit -m "This is my second commit"
[main aad9c08] This is my second commit
 2 files changed, 2 insertions(+), 1 deletion(-)
  create mode 100644 app.py

A screenshot of the Visual Studio Code interface. At the top, the menu bar includes File, Edit, Selection, View, Go, Run, Terminal, and Help. The title bar shows "README.md - ineurongit - Visual Studio Code". In the center, there are three code editors: "Get Started", "README.md", and "app.py". The "README.md" editor contains the following text:

```
① README.md > ## We Will learn gitcxfvsdfsdfdfs
1 ## This is the Git tutorials By Krish
2 ## We Will learn gitcxfvsdfsdfdfs
```

The "Terminal" tab is selected at the bottom of the interface. The terminal window shows the following command history:

```
E:\ineurongit>git checkout main
Switched to branch 'main'
Your branch is up to date with 'origin/main'.

E:\ineurongit>git checkout developer1
Switched to branch 'developer1'

E:\ineurongit>
```

On the right side, there is a video call interface showing a man with a beard and headphones. Below the video, the name "Krish Nak" is displayed. A sidebar on the right lists available terminals: powershell, cmd, and bash. The status bar at the bottom shows "Ln 2, Col 34", "Spaces: 4", "UTF-8", "CRLF", "Markdown", and a system tray with icons for battery, signal, and time.

A screenshot of the Visual Studio Code (VS Code) interface. The top bar shows file tabs for 'README.md', 'app.py', and 'requirement.txt'. A video call with 'Krish Naik' is visible in the top right corner. The left sidebar contains icons for search, file, folder, and other development tools. The main area has tabs for 'PROBLEMS', 'OUTPUT', 'TERMINAL' (which is selected), and 'DEBUG CONSOLE' and 'JUPYTER'. The terminal window displays a command-line session:

```

The screenshot shows a Visual Studio Code interface with a terminal window open. The terminal output is as follows:

```
E:\ineurongit>git checkout main
Switched to branch 'main'
Your branch is up to date with 'origin/main'.

E:\ineurongit>git branch
  developer1
  developer2
* main

E:\ineurongit>git merge developer2
Updating b0c6347..71eb9d8
Fast-forward
 README.md      | 5 +++--
 app.py         | 3 ++-
 requirement.txt| 1 +
 3 files changed, 6 insertions(+), 3 deletions(-)

E:\ineurongit>
```

The terminal window has tabs for PROBLEMS, OUTPUT, TERMINAL, DEBUG CONSOLE, and JUPYTER. The TERMINAL tab is selected. The status bar at the bottom shows the current file is README.md, there are 0 errors and 0 warnings, and the file size is 0. The status bar also displays system information like battery level (22%), temperature (22°C), and date/time (01-10-2022).
